AmeriCorps*VISTA Volunteer Position Available Immediately!

NJCCE is reaching out to the Character Education Network for help in finding someone interested in becoming a full-time VISTA volunteer. NJCCE needs a VISTA volunteer to assist with our PACES Project (Partnerships in Advancing Character Education through Service-Learning). This VISTA volunteer will be assigned immediately to 3-5 schools throughout NJ and will spend one day a week with each of the assigned schools, supporting teachers and students in their efforts to develop, implement and showcase service-learning projects including a character education component. Our PACES schools have terrifically enthusiastic teachers and students who are involved in fantastic projects, so we think this might be a perfect opportunity for a retired educator, a recent education graduate, or a dedicated volunteer interested in character education and service. This is a full-time volunteer position and will require extensive travel throughout NJ (car required).

AmeriCorps—A National Corps of Capable, Committed Individuals

AmeriCorps is a network of local, state, and national service programs that connects more than 70,000 Americans each year in intensive service to meet our country's critical needs in education, public safety, health, and the environment. AmeriCorps*VISTA members who successfully complete a term of service are eligible to receive either an AmeriCorps Education Award or up to \$4,725 or an end-of-service stipend. Additional benefits include training, a living allowance, limited health care benefits, relocation expenses, student-loan forbearance or deferment, and non-competitive eligibility. For more information about AmeriCorps VISTA, visit: <http://www.americorps.gov/about/programs/vista.asp>

NJCCE needs to fill this position immediately, so if you know of anyone who might be interested, please have them **contact Joe Cooper**, our PACES Intern/VISTA Coordinator at 917.689.6484, **or Becky Sapora-Day**, NJCCE Manager of Program Services at 732.445.3343.
