CHARACTER_EDUCATION_NETWORK ALERT #6 - JUNE 2009

New common website portal announced

This Alert is a special announcement from the **CHARACTER_EDUCATION_NETWORK** online mail list. Alerts will periodically bring you information that is time sensitive. You will also continue to receive the monthly Character Education Network e-newsletter. Your name has been added to this list as a result of your completing the New Jersey Department of Education Character Education Network Online Listserv Form or because you have indicated an interest in receiving updates on character education efforts in New Jersey.

The Center for Social and Character Development at Rutgers University is funded under Title V, Part D, Subpart 3, Sec. 5431 of the No Child Left Behind Act of 2001. Funds for both the Developing Safe and Civil Schools: A Coordinated Approach for Social-Emotional and Character Development project and the Title IV-A and Unsafe School Choice Option Training and Technical Assistance Project were provided in full by a grant to the New Jersey Department of Education from the United States Department of Education, Safe and Drug-Free Schools Program. The views expressed herein do not necessarily represent the positions or policies of the New Jersey Department of Education. No official endorsement by the New Jersey Department of Education of any product, commodity, service, or enterprise mentioned herein is intended or should be inferred.

On behalf of our project partners, I am writing to inform you of a change that has just taken place regarding access to our websites. As indicated in earlier editions of **THE NETWORK**, the Developing Safe and Civil Schools project (DSACS), the Center for Social and Character Development at Rutgers University (CSCD), and the Safe and Drug-Free Schools and Communities project (SDFSC) are collaborative partner projects.

Please be advised that from now on when you attempt to reach one of the partner websites directly through its primary URL address (DSACS - <http://www.teachsecd.com/>, CSCD - <http://www.rucharacter.org/>, or SDFSC - <http://sdfsc.rutgers.edu/>), you will be directed to a common website, called a portal, where you will see the logos of all of the partner projects. When you click on the logo of the site you want, you will see a prompt in bold to visit that site. Simply click on that prompt to go directly to the website for that project. If you have a URL for a specific website page within a partner website, that URL will take you directly to the desired page.

We cordially invite you to take this opportunity to learn more about all three of our partner projects by exploring each of them using the new portal: <http://www.secd-sdfspartners.com/>.
