Painted Faces Reflection

Directions: Please take some time to write about today's Painted Faces activity. Think about what you learned from it, what the point or lesson was, and overall how it made you feel. You may use the prompts below to get started.

- Painted Faces changed the way I think about ...
- I never realized...
- I was surprised to find out...
- I compared my face to my friend's face and...
- From now on I will...
- When I see people who are different from me, I can remember this activity and...
