## Character Education Network Online Listserv Form

---

The purpose of The Network is to encourage the adoption of character education programs and strategies by providing a forum for sharing information, research and promising practices. Through the *Center for Social and Character Development at Rutgers University* (CSCD @ RU), The Network will offer educators access to national and state character education experts and programs through conferences, workshops, and e-mails.

The Network will be bringing you news from the national, state and local levels; best practices, including updates from our project sites; announcements of events, conferences, workshops; and professional development opportunities throughout the state and at the national level; grant and funding opportunities; program and assessment resources and links to other character education websites. A link to the *Center for Social and Character Development at Rutgers University* website ([www.RUCharacter.org](http://www.RUCharacter.org)) will lead you to current articles and research from the field as well as materials and large documents which you can download for use in your classroom.
